of situation.

**99 E CENTER STREET
MADISONVILLE, KY 42431
AVAILABLE 24/7**

We pride ourselves on adjusting to modern problems and aim to create solutions to any issues that may arise as times continue to progress.

SAFE EXCHANGE ZONE

The Madisonville Police Department has created a "Safe Exchange Zone" to provide an exchange location for Internet purchase exchanges, as well as, child custody exchanges. The MPD has two marked spaces in our parking lot, as well as a designated area inside the lobby just inside the main entrance to the department.

The parking spaces are marked with signs and special striping. Both spaces are under round-the-clock video surveillance. A phone with a direct line to Madisonville Hopkins County Central Dispatch is available in the lobby. There are no time restrictions for when transactions can occur, but we advise they take place during daylight hours. You do not have to make an appointment to use the parking lot spaces or lobby for transactions. If manpower is available, you may request an officer to check to see if an item has been previously reported stolen.

However, the MPD cannot be held liable for guaranteeing an item is not stolen before you purchase it. The burden is on you to make the transaction that is in your best interest. The legal sale of firearms and other weapons is NOT permitted on Police Department property. We DO NOT offer any other services with the transactions, such as: notary services, counting/verifying money amounts or checking for fake/counterfeit money.
