No. _____

Date: _____

Estimated Cost: _____

APPLICANT IDENTIFICATION

Permittee Name: _____

Permit Address/Location: _____

Permit for Business/Property Owner: _____

DESCRIPTION OF WORK:

All work must be completed according to City Engineer specifications and OSHA standards. Traffic control shall comply with the Manual on Uniform Traffic Control Devices (MUTCD).

To be completed in: _____

Insurance Agency: _____ Exp Date: _____

Bond Type/Amount: _____

INDEMNITY: The applicant, in order to secure this obligation, has deposited with the City Engineer as a guarantee in conformance with the City's permit requirements an indemnity in an amount to cover the above estimated cost. It shall be the responsibility of the applicant, his heirs and assignees to keep all indemnities in full force until construction or reconstruction has been completed and duly accepted by the City of Madisonville, Engineering Department.

When the work is completed in accordance with the terms of this permit your indemnity will be released if requested. However, the permit is effective until approved by the City of Madisonville Engineering Department. The terms on the permit and any accompanying documents/drawings remain in effect as long as the encroachment exists. Future maintenance of the encroachment is the responsibility of the property owner.

The applicant to whom this permit is issued shall comply with the terms and restrictions of any and all ordinances regulating the work within streets, alleys, or any public ways in the City of Madisonville, KY, and take all precautions to protect the public against accidents. Before starting excavation, all utility companies should be contacted for location of underground utilities. CALL BEFORE YOU DIG: 1-800-752-6007 KENTUCKY UNDERGROUND PROTECTION!!!
